

Dear Fred,

But you said to keep in touch.
And you were always so nice.

What went wrong?

Maybe you didn't like
my mix tape?

Or is it because of Pierre?

Hello,

We have well received your request regarding Pierre Bismuth's work, and have forwarded it to him. My assistant will get back to you as soon as we have received an answer.

I also received your last 'bribe', as you call them, thank you.

You do not need to send me pictures of your works, since I already had a careful look at your work online, which is interesting.

Nevertheless, it does not correspond to the artistic direction of my gallery, and I therefore cannot give a positive follow-up to your approach.

So please do not send me any more bribes ;)

If you do so, I will not keep the gifts nor send them back to you ; I will not get back to you again.

Wishing you all the best for the future,

Frédéric ?!"£ (%^+]
