**Flour, yeast and time usually  
result in - tada, a pogača!  
But it can occur that instead  
of a pie we knead together  
a homey homonym and get a  
Tadej Pogačar.**

**Picture book for children and adults, made  
for an artist-book contest presided by Tadej  
Pogačar. For Klara Antonija and all the  
Tadej Pogačars.**
