

# Bright New World

**At 3 years of age, we know  
how to:**

**count!**

**do multiplication!**

**spell!**

**read!**

**write!**

**cook!**

**ride bikes!**

**use smart phones and pads!**

**play football and violin!**

**etc.**

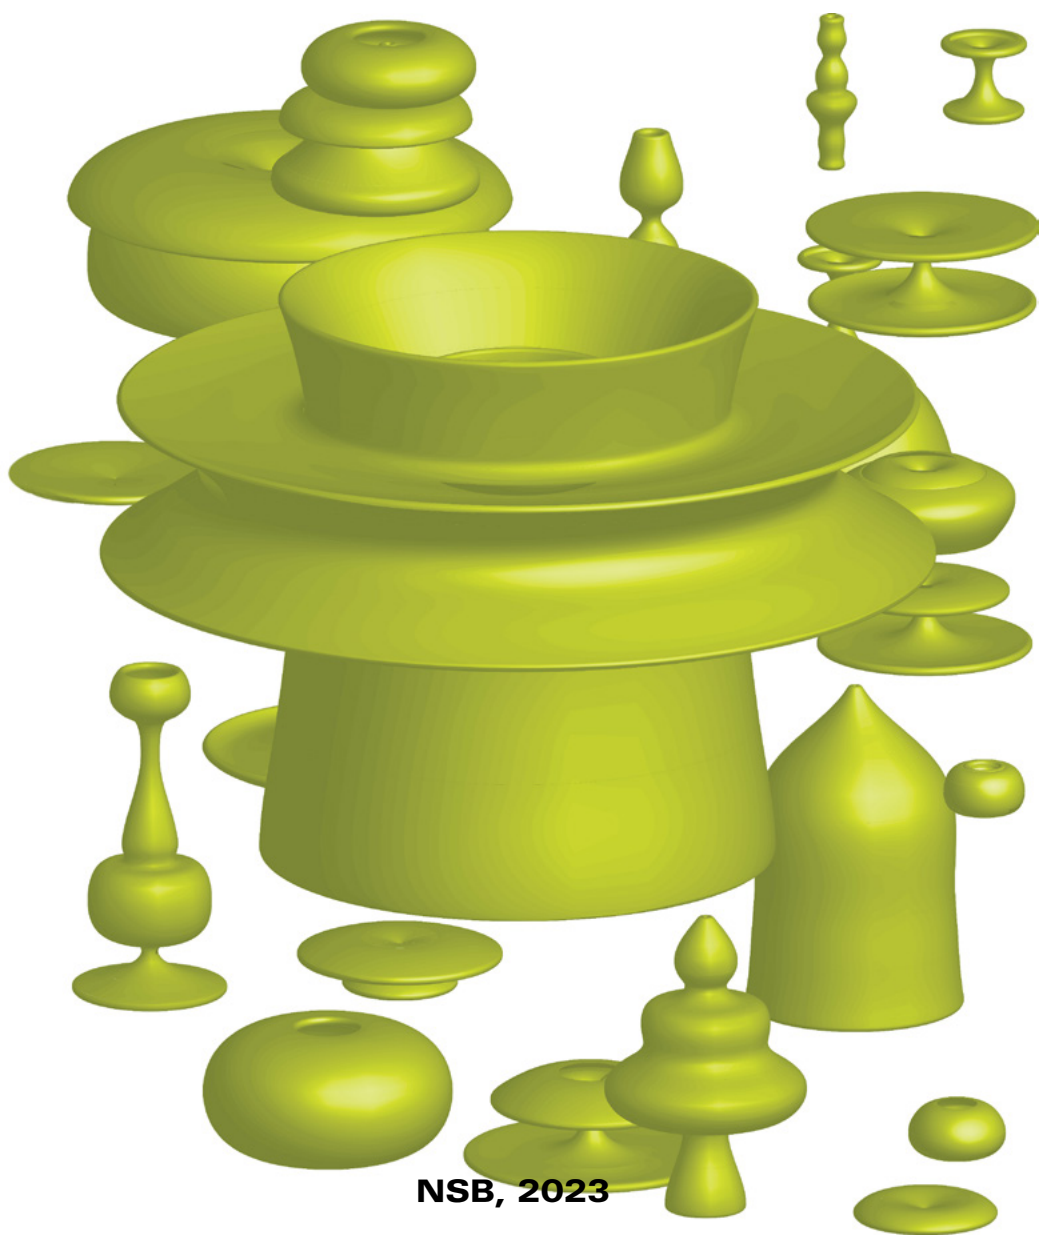

**At 25, we don't know  
how to:**

- post a letter
- use a printer
- talk on phone
- sit still for an hour
- take a stroll without a purpose

- nor
- that it's ok to fail
- that it's ok not to compete
- why to read a book
- etc.
